

## **I Matter Too! Be a Voice for the Voiceless**

Issue 3 2024

**FIGHT! FIGHT! FIGHT!**

**Yes! We need the enthusiasm of Pres. Donald John Trump**

**Trump is a fighter. We too must be fighters. When everything is thrown against you, you get back up and fight. Please help us to fight the evil one and win the Pro-Life battle.**

**For the Love of God**

Why? Why? Why are we still here. You might ask yourself, why don't they just quit? Why don't they give up? We don't quit. We don't give up. You might ask, aren't you tired? We would say, yes we're tired. But I would also say, I'm sure the apostles were tired too. But I am so grateful to God that they didn't quit either. You see this is a labor of LOVE. God is asking us to spread His word. "Go therefore, out and preach". God calls us all to spread His word, His Love for all. He says, "Bring the children to me". I can't imagine how He loves His children. I know I love my children, but I didn't create them, He did. There is no love like the Love of God. We are all called for a purpose to know, love and serve Him. Our work is never done. I am so grateful to God that He has called me to this mission in life, to spread His love for His children and reach out to mankind to fight against the evil of abortion. Yes, we love them both. Abortion is not good for the mother, the father, the grandparents, the extended family, the neighbors, the city, the state, the nation, the world or you. Help us with your prayers and your support to fight this great evil for the Love of God our creator. Join us in this mission, come to our events, volunteer at the fair, become a member of the board, we need you.

## **CANFIELD FAIR 2024**

Yes, we are looking ahead to the Canfield Fair. Happy to say that we will have a booth in the Commercial Building again this year besides the one in the Medical Building. Many thanks to those who have donated to make this possible. Having a spot in the commercial building allows us to take donations and ask for freewill contributions for merchandise if we have it. We reached many people with the Pro-Life message last year who do not visit the Medical Bldg. Please consider donating to RTLMC and help us to continue to distribute this important message. Also, **let us know if you would like to work a shift (like 3 or 4hrs.) at our booths.**  
**Call Sally at 330-799-6160.**

## **Abortion by mail.**

After successfully defeating Roe vs. Wade the issue of abortion is now with the States.  
**Our fight continues.** We are going to distribute pamphlets with information on the abortion pill at the fair and at any opportunity. How sad that young girls and women are not encouraged to love and give life to the cherished children of God. And let us not forget the fathers who are not encouraged to stand with the mother.  
 We will be distributing products that encourage men to be men. May God have mercy on us.
